### *Engineered Solutions & Process Improvement*

We will improve your process and business with increased product quality, reduced downtime, process improvements, and by providing total system solutions.

#### PRODUCTS:

##### **Temperature Control and Monitoring**

Gauges, RTD's, Thermocouples, Switches, Recorders, Heaters, Thermowells, PLC's, Power Quality

##### **Pressure Control and Monitoring**

Gauges, Transducers/Transmitters, Switches, I/P, Differential, Seals, Diaphragm Isolators/Seals, Pumps

##### **Level Control and Monitoring**

Single and Multi-point, Continuous, Ultra-sonic, Float, Sure-site, Conductance, Sight Glass

##### **Flow Control and Monitoring**

Meters, Manual Valves, Automated Valves, Thermoplastic Valves, Pumps

##### **Steam Control Products**

Precision Steam Products & Services

##### **Filtration Systems & Solutions**

Water, Chemical, Steam, Customized Systems, Water Removal Units, HEPA Solutions

##### **Force, Position, Vibration, & Humidity Sensors**

Linear, Rotary

##### **Custom Products and Fabrications**

Assembled Systems, Specially Machined Parts

#### SERVICES:

##### **Complete Engineered Systems**

Systems Design and Specification, Fabrications

##### **Energy Consultant Services**

Systems Assessment & Analysis, Energy Conservation, HVAC Systems, Process Control Pumping Systems, Motor Controls, Lighting Systems

##### **Calibration & Testing Products and Services**

Gauges, Switches, Transducers, Level, Flow, Pressure, Temperature, I/P, Seal Assembly/Filling

##### **Pump & Valve Repair**

Versa-Matic, Wilden, Grundfos, PACO/Grundfos, Goulds, Rupp, Bell & Gossett, and more...  
Watson-McDaniel, Honeywell, Fisher, Jamesbury, Baumann, Taylor, Valtek, Durco, and more...

#### Temp-Press serves the following markets and more:

*Process*  
*Power Generation*  
*Food, Dairy and Bio-Pharm*

*HVAC & Energy Services*  
*Waste & Water Treatment*  
*Industrial and Municipal*
