### *Engineered Solutions & Process Improvement*

We will improve your process and business with increased product quality, reduced downtime, process improvements, and by providing total system solutions.

#### PRODUCTS:

##### **Temperature Control and Monitoring**

Gauges, RTD's, Thermocouples, Switches, Recorders, Heaters, Thermowells, PLC's, Power Quality

##### **Pressure Control and Monitoring**

Gauges, Transducers/Transmitters, Switches, I/P, Differential, Seals, Diaphragm Isolators/Seals, Pumps

##### **Level Control and Monitoring**

Single and Multi-point, Continuous, Ultra-sonic, Float, Sure-site, Conductance, Sight Glass

##### **Flow Control and Monitoring**

Meters, Manual Valves, Automated Valves, Thermoplastic Valves, Pumps

##### **Steam Control Products**

Precision Steam Products & Services

##### **Filtration Systems & Solutions**

Water, Chemical, Steam, Customized Systems, Water Removal Units, HEPA Solutions

##### **Force, Position, Vibration, & Humidity Sensors**

Linear, Rotary

##### **Custom Products and Fabrications**

Assembled Systems, Specially Machined Parts

#### SERVICES:

##### **Complete Engineered Systems**

Systems Design and Specification, Fabrications

##### **Energy Consultant Services**

Systems Assessment & Analysis, Energy Conservation, HVAC Systems, Process Control Pumping Systems, Motor Controls, Lighting Systems

##### **Calibration & Testing Products and Services**

Gauges, Switches, Transducers, Level, Flow, Pressure, Temperature, I/P, Seal Assembly/Filling

##### **Pump & Valve Repair**

Versa-Matic, Wilden, Grundfos, PACO/Grundfos, Goulds, Rupp, Bell & Gossett, and more...  
Watson-McDaniel, Honeywell, Fisher, Jamesbury, Baumann, Taylor, Valtek, Durco, and more...

#### Temp-Press serves the following markets and more:

*Process  
Power Generation  
Food, Dairy and Bio-Pharm*

*HVAC & Energy Services  
Waste & Water Treatment  
Industrial and Municipal*

**Acromag**  
**Additel**  
**Ametek Power Instruments**  
**Ashcroft / Weksler**  
**Bindicator**  
**Burkert**  
**Control Air**  
**Ctek**  
**Drager**  
**Dwyer**  
**Fox Thermal**  
**Foxboro**  
**Gems Sensors/Warrick**  
**HACH**  
**Kistler-Morse**  
**Kobold**  
**McDaniel Controls**  
**Premier Industries**  
**Teledyne Gas & Flame Detection**  
**Optris**

**Porvair Filtration Group**  
**Liqui-Jector® by Temp-Press**  
**Titan**

**Grundfos® and PACO**

**Jen-Flo Sanitary Pumps**  
**Nelson**  
**Versa-Matic AOD Pumps**

## **PROCESS & CONTROL INSTRUMENTATION**

*Distributed I/O products, Signal conditioning*  
*Pressure Calibration Equipment*  
*Annunciators, Power Quality Meters*  
*Pressure, Vacuum Gauges, Thermometers, Switches, Transducers, Seals*  
*Measures Dry Bulk Solid Level Control*  
*Flow, Level, Pressure, Temperature and Analytical Controls, also Valves*  
*I-P, Precision Air Regulators, Cylinders*  
*Monitoring and Control Solutions, Wireless Controllers*  
*Portable Gas Detection, Analyzers and Test Tubes*  
*Pressure, Vacuum, DP, Temperature, Valves, Flow Instrumentation*  
*Thermal Mass Flow Meters for Industrial and Commercial Applications*  
*Transmitters, PH probes, Analyzers, Pressure, Level, Flow measurements*  
*Level, Flow, Temperature, & Pressure Products, Intrinsically Safe Relays*  
*Flow monitoring products*  
*Bolt-on Strain Gauge and Load Cell Type Weighing Sensors*  
*Flow, Pressure, Temp, Level, RTDs*  
*Pressure & Vacuum Gauges*  
*High Pressure, Transportable and Two Stage Regulators*  
*Fixed Gas Detectors and Controllers*  
*Infrared Measuring Devices, IR Thermometers Cameras & Pyrometers*  
*Thermocouples & RTD Products*  
*Bimetal, Gas Actuated & IR Thermometers, Pressure Products*  
*Temperature Recorders & Controllers*

## **PIPE, VALVE, & FITTINGS**

*Butterfly Valves (2"-72")*  
*Thermoplastic Valves*  
*Sanitary Valves, Fittings, & Accessories*  
*Wash, Spray & Fan Nozzles. Custom Design Nozzles*  
*Plastic Valves & Fittings*  
*Sanitary Piping Products*  
*High Quality Ball Valves and Actuation Equipment*  
*Brass Valves*  
*Safety Relief Valves*  
*Fittings, Adapters, & Hoses*  
*Control Valves, Manual & Automated*  
*Groove Style Piping Products & Systems*  
*Press. Regulating & Back-Press. Valves*  
*PVC/CPVC Industrial Fittings and Piping*  
*Sanitary 2&3 Way Ball Valves*  
*Pressure Reducing Valves, Steam Traps, Liquid Drains, Air Ejectors*  
*Water Regulators and Control Valves*

## **FILTRATION PRODUCTS**

*Bag Filtration Systems*  
*HVAC Filtration Products*  
*High Press., Compressed Air, Vacuum Pump, Steam, Gas Analysis Filters*  
*Lime Scale Removal and Bacterial Treatment Systems*  
*Custom Engineered, Disposable, High Purity Filters*  
*Steam Coalescing Filters (for autoclaves, sterilizers and food processing)*  
*High Quality Y-Strainers, Check Valves, Basket Strainers and Duplex Strainers*

## **PUMPS & Others**

*Pumps: Water, Dosing, Centrifugal, Environmental, Booster, Sewage, Groundwater, Industrial, Heating, Cooling, Control/Monitoring*  
*Sanitary Pumps*  
*Heat Trace Products*  
*Air Operated Diaphragm Pumps*
